

Prize of the Yak-Camel-Foundation

The Yak-Camel-Foundation awards a prize for outstanding publications in the field of Yak or Bactrian camel (wild and domestic two-humped camel) research in 2023:

5000,--€ (EUR)

Requirements: The publication must not be older than 3 years at the time of submission deadline.

Submission documents: Original publication, scientific CV (curriculum vitae) and passport photo of the applicant.

Additional Information: The selection of the awardee will be conducted by the board of the Yak-Camel-Foundation. The Foundation (<http://www.yak-kamel-stiftung.de/Subsidies>) reserves the right to split the price in the case of equally qualified applicants. Redress through the courts is excluded.

Deadline of submission: 1. April 2022 (postmark)

Send the complete application including all submission documents to:
